- Parents may collect from the ASC at any time until 5.30pm. All pupils leaving the school premises must be signed out by the person collecting them, and the time of departure written down.
- Parents who are unable to reach the school by 5.30pm should arrange for someone else to collect their child by this time. They should inform the school in writing, or, in the case of a last-minute arrangement, telephone the school to authorise the collection. Either way they must inform the school before 5.15pm that day.
- Under no circumstances will a pupil be released to an unauthorised person.
- A record is kept of all late collections. Those who are persistently late receive a letter indicating that their place at the ASC is in jeopardy.
- After 5.30pm the ASC Leader will stay with the child until the parent/carer arrives. Whenever possible a member of the school management team will also stay.

## Policy 15 – After School Club Policy

- If your child is not collected and no communication made before 5.45pm the situation will be considered a 'safeguarding matter'.
- In the event of an emergency the ASC Leader must contact the Headteacher.
- Pupils must be supervised at all times by the staff employed to work at the ASC.
- The risk involved in all activities in which the children participate must be assessed.
- All adults must ensure that high standards of behaviour are maintained, in spite of the relaxed atmosphere. All children attending ASC are expected to behave well. If there are behavioural issues concerning children at ASC parents will be informed in writing and their place may be put in jeopardy.

### Use of registers

### After School Club Arrangements for Pupils Being Picked Up Late from School

Pupils being picked up late will be collected by the After School Leader and signed into ASC at 3.20pm. Any child in this situation will have to wait with ASC until their parent/guardian collects them from school premises and signs their child out of ASC in the usual way. Parents will then be charged the normal £6.50 or £7.50 daily rate per child.

### Late Collection Payment Terms

Parents who collect Pupils late i.e. after 5.30pm will be subject to a late collection charge. This charge will be levied because two members of staff must remain in school due to 'safeguarding' regulations. **A flat rate charge of £10 will be levied every time a child is collected after 5.30pm, regardless of time elapsed.**

Parents who are consistently late collecting their child from after school will be issued with a warning letter and asked to make an appointment with the Headteacher and may be asked to remove their child from this facility.

### Special Conditions

ASC will be cancelled should the school have to close due to unforeseen circumstances. Should this be the case the parents of all regular attendees will be informed.
