Dear Parents,

On behalf of myself and The Board of Trustees I would like to say a very special thank you for your hard work and support for Stella Maris School during this past academic term and throughout 2017. Without the support of our parents, staff and PTA we wouldn't be the school we are and together we continue to thrive.

I was delighted to be able to attend the recent Christmas Concert with some members of the Board of Trustees and we all enjoyed the evening. It was lovely to see so many of you there and to meet some of our new parents and children. The performance was fantastic and I was astounded to see and hear all the lovely carols delivered expertly without fault by our boys and girls, the wonderful acting and fluent reading. We should be very proud of our children.

May I take this opportunity of wishing you and your families a peaceful Christmas and the very best for 2018.

Kind regards,

Dr. John Swarbrick ( Chair of Trustees)
